

Here's some weird stuff you probably didn't know about Sunland-Tujunga! Did you know the name Tujunga is thousands of years old? And that the first alien abduction happened in Big Tujunga Canyon. Who knew that Marilyn Monroe got her start here? Or that Tujunga had the first hippie. And how about the Big Tujunga train crash of 1942? All this and more will convince you that Tujunga is truly weird.

Historian and author, **Mike Lawler**, returns to Bolton Hall Museum with stories to tell about the crazy, spooky and interesting tales about our town.
